

How to get from the airport to Cala Grande/Cala Chica

(same applies for arriving from Granada on the A92 to Almeria)

Directions to Hotel Cala Grande
Calle Navegante, s/n, 04116 Nijar, Almería, Spain
48.8 km – about 42 mins

- 1) When you leave the airport follow the signs to the highway „A7/E15“ **direction Nijar/Murcia** (NOT to Almeria!)
- 2) Stay on the highway for about 20km
- 3) Take exit 281 towards **Campohermoso/Las Negras** (NOT to Nijar!), the street follows the highway for a bit before going into Campohermoso
- 4) Go straight through Campohermoso following ALP-208
- 5) The street enters the Cabo de Gata park and finally winds around a mountain with a nice view over the central valley down to Las Hortichuelas
Keep on the same road and you end up directly in Las Negras
- 6) In Las Negras at a very elongated roundabout with palm trees in the middle, take the last exit (Calle Quilla) to go to Cala Grande and the second last (Calle Hélice) to go to Cala Chica
- 7) Cala Chica is then immediately after at the right.
For Cala Grande follow Calle Quilla and take the first street on the right, the complex at the corner of the two streets is Cala Grande
- 8) At both places you can either park at the hotel parking at the door or along the street if there are no free spaces.

For those coming from Granada, take the A92 to Almeria and then change onto the A7 towards Murcia, then continue with point 2)
